Kill Vault™ Mouse Trap
Instructions

1. Place Bait - Pull out the BAIT door and apply bait in the trough provided.

2. Set Trap - Hold down the setting button on top of the trap and pull up on the Kill-Gate™ until it clicks in place.

3. Place Trap - Trap should be placed where signs of rodent activities are visible or along walls where mice travel.

4. Dispose - Lift the Kill-Gate™ and then open the disposal door for simple removal.
